WEBINAR - 3 CME

ERAS in MINIMALLY INVASIVE THORACIC SURGERY

The Italian VATS Group welcomes you to the Webinar of Enhanced Recovery After Surgery!

Dear colleagues,

On behalf of the Italian VATS Group and the colleagues in the organizing committees we have the pleasure to welcome you to the ERAS Webinar on 29 of April 2021 h: 17,00 - 18,30.

The ERAS WEBINAR is a unique occasion that brings together experts and leaders in perioperative care in Italy.

It is also the utmost opportunity to gather specialists from different horizons that share their expertise and provide participants with the most recent updates, new concepts, state-of-the-art lectures and progress in perioperative care.

This is reinforced by the participation of surgeons, anesthesiologists, nurses, hospital administrators bringing the patient into the heart of medical care.

Italian VATS Group with ERAS WEBINAR aim to reinforce the patient centered care through the interactions between all medical actors and networking.

Interdisciplinary debate and multidisciplinary approach allows experts to bring their opinions and to debate with the audience. Our goal is to organize an exciting and outstanding on-line meeting with experts and delegates.

Heartily welcome and we look forward to seeing you on line...
